

JOIN FRIENDS OF MHLF TO MAINTAIN HISTORY

YOUR SPONSORSHIP MAKES AN IMPACT

The Mount Horeb Landmarks Foundation is currently working toward the restoration and preservation of the oldest remaining school building in Mount Horeb. In June 2002 it was saved from demolition and moved to its current location on North Second Street where it has become the focal point of Heritage Park and Gardens.

In December 2009, the building, once a joint project with the Village of Mount Horeb, became the sole responsibility of Mount Horeb Landmarks Foundation, a 501(c)3 organization. With the building nearing restoration, we anticipate community usage being maximized as it becomes a center for community social interaction as well as educational advancement. Plans are already being instituted for special interest classes, seminars, farmers markets, concert and movie nights, and festive holiday endeavors.

We cannot do this alone. But, with the generosity of able sponsors, we can maintain the integrity of and continue to utilize the building for the betterment of community.

HOW SPONSORSHIPS WILL BE USED

They will

- contribute toward maintaining an historic local structure creating one-of-a-kind space for use by village and community organizations
- promote educational classes
- help to educate school children, residents and visitors about an important part of our history
- help to initiate and foster civic and community participation
- allow grant funding to continue in on-going restoration
- *and these are just some examples of the impact you can have!*

We face wonderful opportunities to share this piece of history in a practical way.

THANK YOU

in advance for your consideration to help in a way that will maximize the potential.

All sponsorship funds are tax deductible as charitable contributions for tax purposes.
